Recreation Program

BMPOA Recreation Program is open to all Big Moose area youngsters. The primary goals of the Rec Program are: to teach water safety instruction, to provide opportunities for appreciation of our beautiful surroundings with hikes, campouts, boating trips, etc., and to help kids in the Big Moose area build lasting summer friendships. The BMPOA Recreation Directors, Maggie and Kurt Pardue, offer a varied program which keeps kids with all kinds of interests engaged in summer fun. For more information about the Rec Program, please visit www.bmpoa.com or call Maggie and Kurt Pardue at the Rec Director's Camp at 315-357-3095.

Big Moose Property Owners Association at a Glance

Mission

The mission of the Big Moose Property Owners Association is to enhance the quality of life for all persons in the immediate vicinity of Big Moose Lake.

To do so, BMPOA develops and facilitates programs that promote informed stewardship of our environment, appreciation for and preservation of our natural and cultural legacy within the Adirondack Park, water safety for children and adults, and enjoyable social interaction among individuals, families and all members of the community-at-large.

Membership

We invite all who are interested in Big Moose Lake to become members of the BMPOA. The membership supports the work of

the Association, including operation of an outstanding summer recreation program for our children,

monitoring and testing of water quality, maintenance of navigation buoys on Big Moose Lake, the Russian Lake Dock and the Property Owners Dock, and a number of social activities throughout the summer.

In addition, the Association

advocates for the interests of Big Moose residents with the Town of Webb and New York State, where appropriate.

Full members (\$100/year) are those families who own real property within three miles of Big Moose Lake. Associate Members (\$60/year) are those individuals and families who, although not owners of real property near Big Moose Lake, are interested in supporting the goals of the Association and being kept informed of activities of interest to the friends of Big Moose.

Special Programs

The BMPOA provides for the following Programs to benefit the health & welfare of our lake. We know from regional news how invasive species have harmed surrounding lakes. Your Association has and will continue with the following programs:

Annual Milfoil Search & Vigilance
Annual Zebra Mussel Search
Septic Dye Testing Program
Water Quality Testing & Reporting
